

TPR INDIAN Foundation

About Company

TPR India Foundation (The Project Raahi) was established in 2020 with the aim of fostering underprivileged students and individuals through Digital Literacy Awareness and Training Programs. Founded by Mr. Daniyal Ashraf along with a group of like minded young individuals in Delhi & NCR, the NGO is officially registered as a Non-Profit Organization under the Ministry of Corporate Affairs. TPR India Foundation is currently working on diversified projects in the domains of education, health, hygiene, digital literacy, hunger elimination and women empowerment. TPR India Foundation actively engages in grassroots initiatives to promote social wellbeing and contribute to nation-building. TPR India Foundation believes in a collaborative and inclusive approach by involving students, educational institutions, and local beneficiaries directly in its programs. Through awareness, training, and community-led initiatives, the organisation empowers individuals and communities to become self-reliant, fostering a sense of ownership and sustainable development from within.
